

Schools

We will encourage your child's personal hygiene, so they stay clean and dry at school.

We will support parents to have a bedtime routine for their child. We will teach your child why having enough sleep is good for them.

We will support your child to take care of themselves.

We will teach your child why healthy eating, keeping clean and regular exercise is important.

We will encourage your child to care for living things and the world around them.

We will plan activities which will teach your child word patterns, sounds and rhymes.

We will plan activities that encourage your child to concentrate and sit quietly. We will encourage them to pay attention to what others say and to respond.

We will help your child to feel good and celebrate their achievements. We will encourage your child to ask for help if they need it.

We will encourage your child to have good relationships and be thoughtful of other people's needs and feelings.

We will ensure that the classroom and outdoor spaces are welcoming, we will encourage your child to explore.

Ready to Learn Ready for Life

Guide for Parents & Professionals

Parents

Child

Early Years Provider

I will support my child to become independent with toileting.

I can manage my toileting needs and wash my hands with adult support if needed.

We will support you to make sure your child is toilet trained.

I will make sure my child has a regular bedtime routine. (I will ask for support if I am finding this difficult).

I can go to sleep by myself so that I have enough energy to learn and play at school.

We will talk with you if your child struggles with their day.

I will support my child to practise getting dressed and undressed independently.

I can take my coat off and get dressed/undressed with some help.

We will encourage your child to practice their self-care skills.

I will encourage my child to try new foods. I will encourage my child to eat at the table, using a knife, fork and spoon.

I can feed myself using a knife, fork and spoon and enjoy sitting at a table eating a range of foods with friends and family.

We will plan activities about food and healthy lifestyle choices.

I will encourage my child to keep their toys tidy and look after their belongings.

I can tidy my toys and care for my belongings. I am starting to show an awareness of my environment.

We will encourage your child to care for their belongings and the world around them.

I will help my child's communication skills by playing, talking and reading with them.

I can ask for help, be understood, follow simple instructions and share my ideas.

We will encourage good communication skills by using a wide range of language.

I will support my child to stay interested in a variety of activities to develop their concentration skills.

I can listen for a short period of time to a story and stay interested in an activity of my choosing.

We will encourage your child to take part in listening and creative activities.

I will try new activities with my child and ask them how it makes them feel. I will reassure my child that it is O.K to make mistakes.

I can confidently try new things and not worry if things go wrong.

We will provide a safe space which encourages your child to explore their surroundings. We will plan activities that challenge your child but are possible.

I will encourage my child to play with other children.

I can make friends and enjoy playing kindly with other children.

We will encourage your child to play well with others and by themselves. We will set clear behaviour rules.

I will encourage my child to explore new places and interact with new people.

I can confidently be away from my parents/carer.

We will build a positive relationship with your child and get to know them individually.
